

January 2024: Peabody & Arnold Celebrates 125 Years

By Peabody & Arnold on January 1, 2024

Peabody & Arnold, a Boston-based law firm with offices in Boston, New York City and Providence, celebrates its 125th anniversary in 2024.

Since 1899, Peabody & Arnold has guided its clients in all types of legal matters. Now, in our 125th year, we are a leading regional firm of over 50 attorneys with a wide reach. Our team assists clients throughout the New England states, across the U.S. and into Europe with their litigation and insurance coverage needs. Our lawyers take great pride in serving all of our clients with top-notch legal savvy, technical and business expertise, and unfailing responsiveness. As a firm, our strength and staying power is attributed to our longstanding clients, for which we are so grateful, and the depth of talent and commitment in our lawyers and staff.

For each month in 2024 and throughout the year, Peabody & Arnold will celebrate this milestone by highlighting the common threads and values that have been at our core and have contributed to our great stability as a firm. While we take a modern approach to legal service delivery, for over twelve decades, we have held onto common threads that always belong in the practice of law: the highest standards of quality, responsiveness and ethics; zealous advocacy for our clients and winning outcomes; independent thinking and creative problem-solving; commitment to empowering each generation of lawyers through equal and robust opportunities for success; serving our communities with volunteerism and pro-bono work; and being adept and nimble with each new challenge, to meet the times and our clients' needs.

Managing Partner Chris Parady states it well: *"Over all of these years, this firm has been a steady and*

highly capable guide to our clients, providing expert litigation and other advice and counsel to our valued clients. As we celebrate this 125th year, we are grateful for all the trust our clients place in us and remember all the attorneys and employees who have contributed to the firm's long-standing success. Great appreciation is extended to our clients, colleagues, partners, and friends who are a part of P & A, too, because without them, we wouldn't have this milestone to celebrate."
